Preface

The 1995 Replacement Tables Volumes A and B of the Arkansas Code of 1987 Annotated contain acts disposition and parallel reference tables. Acts disposition tables show where legislative acts have been codified in the Code, or account for their absence from the Code. Parallel reference tables show the Code location, if any, of sections from obsolete statutory compilations. Both types of tables help you find a statute's Code version if you know the non-Code version. If, on the other hand, you know a statute's Code version, you can easily identify non-Code versions by consulting the history note printed after each Code section in the statute text volumes.

Suggestions, comments, or questions about this or any other volume of the Code are welcome. You may call our toll-free number, 1-800-446-3410, fax us toll free at 1-800-643-1280, or write: Arkansas Code Editor, Michie, P.O. Box 7587, Charlottesville, Virginia, 22906-7587.
